Ishan Vikas Scheme for Classes IX and XI (Science) Students from North-Eastern States

Ishan Vikas Scheme is an initiative taken by MHRD, Government of India. Under this scheme, students from different states of the northeastern region studying in classes IX and XI (Science) are sponsored for a two week visit to a number of premier institutions in India such as IITs and IISERs. Selected students and accompanying teachers will be provided air travel, food and lodging during the period of the visit. IIT Guwahati is the coordinating institution for this programme.

We are inviting participation from interested schools for the upcoming two week programme to be scheduled between **30 November and 22 December 2016**. Head of a school may send a list of 10 students, having aspiration towards science and engineering from **either class IX or XI (Science)**, and an accompanying teacher (**and a lady teacher if there are girl students**), on his/her official letterhead. For more information please log on to: www.iitg.ernet.in/ivau or email to ivj@iitg.ernet.in.

The names must be sent latest by **October 31, 2016** to the address given below. A soft/ scanned copy of the list may be sent to ivj@iitg.ernet.in. The list must indicate the following information:

Name of the student	Date of Birth	Gender	Phone	Email.	Class	Passport sized photograph
Name of the accompanying teacher(s)	Date of Birth	Gender	Phone	Email.		Passport sized photograph
