with prior appointment.

#### 14. Failure and Termination

The Contractor's service and operations performance will be evaluated based on a variety of criteria including service reliability, quality and hygiene by the Institute.

The Food review committee (FRC) of the Students' Senate will do a periodic inspection of all the outlets and they would rate their performances on a scale of 5 depending on certain criteria as mentioned in Annexure-V. The campus residents having food at the outlets can also provide feedback by scanning QR codes pasted at the outlets. They would rate the performance on a scale of 5 based on criteria like: value for money, cleanliness, quality of food, availability of food according to menu, service and taste. The overall performance index (OPI) of a particular outlet will be calculated by computing the average of the 2 scores (FRC and campus residents' feedback). If campus residents' feedback for a month is less than 50 responses for a particular outlet, then only FRC score would be considered for OPI evaluation. The feedback assessment form as shown in Annexure-VI will be handed over to the contractor after every month for necessary improvement.

#### **Approximation and rounding the decimals of average / mean values of the total number of responses and the Overall Performance Index (O.P.I) to a specified number of places**

"Please round to 2 decimal places"

Or equivalently,

"Please round to the hundredths place"

If the 3rd decimal (or) the thousandths place is '5' or more than '5', then round up to the 2nd decimal (or) the hundredths place and if the 3rd decimal (or) the thousandths place is less than '5', then round down to the 2nd decimal (or) the hundredths place irrespective to the value of the digit that lies in the 4th decimal place of the average / mean values of the total responses given by the subscribers and the Overall Performance Index (OPI).

**For example:** The value 2.737 to be rounded up to the 2nd decimal (or) the hundredths place as 2.74 and the value 2.734 to be rounded down to the 2nd decimal (or) the hundredths place as 2.73.

Based on the OPI score, actions will be taken as mentioned in Annexure III. If rules are violated, warnings can be imposed. Certain instances of rules violations are as follows:

- a. Presence of unwanted items in food:
  - i. Harmful items (e.g. metal, plastic, glass, foreign materials, insects, etc.)
  - ii. Other items (e.g., cockroaches, cigarettes, etc.)
- b. Use of stale / spoilt / harmful ingredients, e.g. rotten vegetables, infected grains, use of FSSAI/Ministry of Health and Family Welfare prohibited Food coloring agents/products etc. (Fine will also be imposed regardless of their use in preparation).
- c. Reduction in the quality of the food due to:
  - i. Partially cooked (boiled / fried) items
  - ii. Spoiling the food by insufficient / excessive usage of ingredients like oil, salt, water, tamarind, flour etc., in dishes like curry, dal, sambar, roti/puri etc.

- d. Not using proper dish washing/cleaning detergents/solutions/gels.
- e. Improper waste / garbage disposal in kitchen area and its surroundings.
